

MasterCard Collision Damage Waiver

I, _____ am Member # _____ in Enterprise CarShare, and wish to DECLINE the Collision Damage Waiver (CDW) Insurance provided to me when I drive Enterprise CarShare vehicles (excludes cargo branded vehicles), because I have a MasterCard eligible for CDW insurance benefits.

I understand that it is my responsibility to ensure that my MasterCard noted below is eligible for the MasterCard CDW, and that it covers "Car Sharing" in the insurance certificate. I also understand it is my responsibility to ensure that I have reviewed and understood the full CDW insurance coverage details and exemptions as listed in my Card Member Agreement or Certificate of Insurance.

I understand that I will:

- Retain Third Party Liability, Statutory Accident Benefits, Direct Compensation – Property Damage and Uninsured Automobile coverage provided to Enterprise CarShare members where a deductible may still apply (please see <https://www.enterprise-carshare.ca/gtawelcome> for details.)
- Only retain Collision Insurance provided to Enterprise CarShare members when my reservation is for an Enterprise CarShare branded cargo vehicle; if damage occurs during a reservation in a cargo vehicle, my deductible will be \$250 through Enterprise CarShare's insurance.
- Pay my Enterprise CarShare reservation estimates, charges and monthly invoice, and any related charges or fines, with my MasterCard noted below
- Be responsible for all damage to the vehicle(s) that I am renting from Enterprise CarShare (to be charged to my MasterCard, and reimbursed as eligible through MasterCard's CDW Insurance)
- Inspect the vehicle before and after driving and immediately report any new damage. Failure to report prior damage before driving may result in being held responsible if there is no prior evidence of the damage.
- Report the loss to my credit card company within forty-eight (48) hours of the loss occurring to start a file and obtain a claim number and report claim number to Enterprise CarShare

I hereby authorize Enterprise CarShare to charge my reservation estimates, charges monthly Invoice and any other charges or fees that I incur to my MasterCard. **This card must be on file in your CarShare account. Please confirm this card is on file by logging into your account in the full CarShare site (not on the app).**
